

For those of you that don't know me, my name is Raymond Giehll III and I've been a proud member of The Sons of The American Legion for 26 years. While at the 2009 National Convention in Kentucky, a member and Veterinarian Randy Lange DVM spoke about Josh and Friends. This was a Story written by him to help children cope with surgeries, hospitalization, and/or any healthcare issues/procedures that can be frightening to children of all ages. With this book comes a cuddle buddy "Josh" the Golden Retriever in the story.

I was inspired after receiving a packet from Dr. Lange with several letters from families, and one hit the hardest. ***"To the Sons of the American Legion, Josh was a great comfort to our daughter. She always wished for a puppy and loved Josh a lot. During her moments of greatest pain, she kept him at her side, because of this we left him with her as she sleeps."***

So after hearing Dr. Lange read this letter, I have a Goal to raise money and donate as many Josh and Friends Kits to the children at Riley Hospital as possible.

Each kit includes the story book of Josh walking them through fears of surgery and medical procedures and telling them that "It will be OK." Also, included is the cuddle buddy "Josh." Please help with any donations you or your Squadron could provide.

Below you'll find pricing for kits, shipping and handling as well as an invoice. When completed, please mail invoice with check to me or Department Headquarters. A reserve account has been setup so that one large order can be made and taken to Riley Hospital. When we present our gift to Riley, everyone that made a donation is welcome and encouraged to be a presenter at the hospital.

If you have any questions contact me at (317)332-4584. Make Checks out to JOSHCO, LLC. or the Detachment of Indiana and note Josh Dogs in the memo line.
